Re: Donation of Container

Dear Dave and Inx

A Centre That Serves (ACTS) would like to thank you for donating the beautiful painted container as well as paying for it to be moved to the school premises.

Second Hand Clothes Shop:

We opened our door a month ago selling the clothes from a little shop in the community. This has served really positive in many ways. We are bringing in cash to use for the school, getting to know the community and more importantly meeting the parents of the children we will be working with.

So many of the parents are alcoholics and on Tik and although we feel like shaking them to their senses it is vital that they trust us. After a while we will invite the parents to the school to spend time with their children and give them a meal etc. Hoping that we could eventually have some positive influence in their lives.

Container for storing clothes

We are so grateful for the container which is full of clothes that will be sold and the money used toward the running of the Learning Centre. Unfortunately a tree needed to be chopped down in order for the container to be placed in the right spot. As you drive into the Centre the first thing you see are the happy faces painted on the container.

Thank you again for your generosity and all the interest you have shown in the Learning Centre project.

We look forward to seeing you on Wednesday.

Warm Regards

Carol van Zyl
